

CIVILITY AT WORK™

Workplace Civility Initiative Toolkit

Research confirms that there is a tangible cost of incivility to business. Whether you are a small business or a multi-national corporation, fostering civility in your workplace can: increase morale, help you leverage Social IQ, facilitate cultural competence, encourage effective communication, decrease turnover, boost service-orientation and significantly impact the bottom line.

Civility Experts is pleased to offer a Toolkit for business and organizations who want to start a civility initiative.

Toolkit Option includes:

a) The “Power of One”-Introducing a Civility Initiative Workshop

Is an interactive full-day workshop that includes discussions, advice, instructions, tools and techniques for planning, implementing and sustaining workplace civility initiatives. Topics covered:

- *Recognizing the tangible costs of rudeness to business?*
- *Leveraging civility; the benefits of introducing a workplace civility initiative?*
- *Understanding the elements of workplace culture*
- *Bridging personal and professional values*
- *Managing factors that contribute to incivility in the workplace*
- *Guiding principles for creating civility and conduct codes*
- *Best practices for fostering and maintaining civility in the workplace*

b) Planning Template for a Civility Initiative

c) 2-day Train-the-Workplace Civility Trainer delivered on-site for up to 4 participants of your choice e.g., Human Resource professionals, managers, workplace trainers, or employee designates

d) Ready-to-use workshop content so you can begin teaching civility in house immediately, plus a 1 year membership ; Ongoing access to Tools, resources and training materials trough the ICTC Resource Center
